DAR ES SALAAM

Dear Sir,

**RE: APPLICATION FOR OF EXTENSION OF TIC CERTIFICATE NO.018198 FOR 2 YEARS AND 5MONTHS**

Please refer the heading above,

We are Company registered with Tanzania investment Centre applying to extension of TIC Certificate for 2 years and 5months to facilitate completion of the project

The project could not be completed within implementation time due two reasons

- Delays in fund mobilization due to outbreak of COVID 19
- Delays of obtaining title of occupancy and building permit

The Board of directors are happy to inform you that:

- The issue of financial has been resolved attached is bank statement which show cashflows which is enough to finance the project
- Building permit was obtained and construction is ongoing attached is building photos

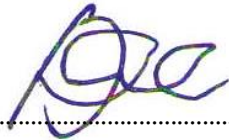

To date the company already spent almost US\$12M and the project is being finalized, there fore we are requesting your office to I extend TIC Certificate for two years and 5 months to facilitate the completion of the project which is being implemented by local investor in the sector which is priority and encouraged by the Tanzania Government

Failure to extend the certificate will jeopardize the implementation of the project which already invested USD 12M which is huge investment for local investors

Attached herewith the following Copy documents:

- i. TIC Copy of TIC certificate
- ii. Project Progress Report
- iii. Project photos
- iv. Bank statement

Yours sincerely
