Dear Sir,

**New Project on Farm no 342/2/2 Gararagwa in Moshi Kilimanjaro.**

We hereby submit our application for a Certificate of Incentives for the new project proposed to be undertaken on arm no 342/2/2 Gararagua in Moshi Kilimanjaro. The project will focus on establishing and operate Avocado Farming.

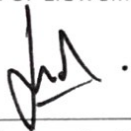

The total value of the proposed project is US\$ 650,000 and the project is anticipated to create a minimum of 51 direct jobs as well as multiple indirect opportunities for logistics providers and countrywide distributors of these products.

Furthermore, the project is located at farm no 342/2/2 Gararagua Moshi Kilimanjaro with land Size of 60 ha equivalent to 150 acres of land. The land is suitable to establish the Avocado farm and pack-house for export purpose. Thus, we humbly request that TIC take the same into consideration since there is an increase in demand for the food crop while the production is still low.

We look forward to your positive consideration to our requests.

Yours sincerely,

For Llewellin Company Limited
