REF: EXTENSION OD CERTIFICATE OD INCENTIVES

Dear Sir

Refer to the above subject of which I would like to draw your attention for consideration and further expedition.

We are LA GLOIRE DIEU TRADING & TRANSPORT LIMTED with certificate of incentives no.071268. Which expired on. September 2019 would like to make an extension of renewal with immediate effect. Our business was serious affected by the Covid 19 epidemic that halted the entire operation regionally making us to get into financial crisis hence not utilizing our exemption promptly.

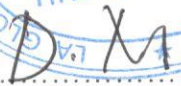

We have now Goten more financing to inject in our operations and with the stability and condusiveness of the business environment we are now geared to revamp the operation.

We have brought in more 3 fleets of trucks for continuity of the business at large. In view of the above we kindly ask Tanzania investment center to consider our extension of certificate of incentives for our operations .

Attached herewith kindly find
Copy of the TIC certificate to be renewed, business license, TRA exemption, certificate of incorporation for your ease of reference.

Thanking you once again and looking forward to a continued support on this matter.

With kind regards

.....
Dieudonne Mukendi
Managing Director
