**RE: APPRECIATION FOR YOUR REMARKABLE CONTRIBUTION TO RELIABLE PADDY MARKET SOLUTION.**

Dear: MW Rice Millers Limited

I would like to thank you for your outstanding contribution in the supporting small hold farmers including large scale farmers for providing reliable paddy market. It has been noted that, big volume of paddy are off taken in Mbarali which is an amazing output to be recognized in the community. Our farmers have been praising you for all purchasing process including using of standard measurement like weigh scale, grading of paddy as well as payment system.

Your dedication to this project has contributed to local government revenues through all crop cess collected from number of tons purchased in our District. We expect to grow in the future if you deliver the same quality of work.

We are quite aware of the fact that next season you will deliver the same quality of work or even more. We are grateful to well come you back again and again for any opportunity which is useful in our community

Thanking you.
