Dear Sir,

## **RE: APPLICATION FOR 2<sup>ND</sup> EXTENSION OF CERTIFICATE OF INCENTIVES.**

Reference is made on the above heading.

Kairuki Pharmaceuticals Industry Ltd started production and supply of pharmaceuticals products in December 2021 after securing TMDA permit.

Besides on going production, there are incompleted works which include production lines systems and machinery, compressed natural gas systems, water systems, boiler and other system for the full fledged pharmaceutical factory.

We secured one year extension of TIC Certificate of Incentives no. 015068 of 13<sup>th</sup> May 2021 which expired on 13<sup>th</sup> May 2022. With a lot of incomplete works, it is our humble request for a one (1) year extension of certificate of incentives.

Thanks in advance for your cooperation.

Yours Faithfully

  
**DR. MUGANYIZI KAIRUKI,  
PRINCIPAL PROMOTER.**
