Progress Report

The project is located at Farm no. 21 Block 147-II Shanty Town Plot no.17, in Moshi Municipality, Kilimanjaro Region.

We received the Certificate of Incentive No. 017154 dated 20th December 2018 with serial number 0223840.

African Scenic Safaris Limited was supposed to invest and provide the following services and their status

- 1) Providing an enclosed tourism ground that provide all tourist amenities and all information concerning the tourism industry in Tanzania.
 - The company has this plot with existing buildings shown in the attached pictures. There is a space for construction of new tourism facilities so far have not invested for the new buildings as much due to unavailable funds which was expected to get from own resources and bank facilities. We could raise the equity financing as we were not operational due the Pandemic Covid 19
- 2) Providing bar, kitchen services –restaurant, etc
 - This activity was not done due to absence of tourism within the period of 2018- May 2022
- 3) Providing accommodation in special camp tents and traditional huts
 - We have tents for tourist in our compound but unfortunately according to the project we have managed to expand I adding more tents due to fact the tourist were unavailable and funds
- 4) Acquire more vehicles for handling tourist and other facilitation services
 - So far, we have not acquired any new vehicle for the expansion project. The few cv vehicles are not enough to cater the intended expansion
- 5) Arranging excursions/safari tours to Tanzania from all over the world. This includes group tours, individuals, diplomats, businessmen, students, volunteers, etc;

No effective tours of any added value were performed within this period of 2018 up to May 2022
- 6) Providing services to special tours – eg eco-tourism, educational, wildlife filming, etc.

No effective tours of any added value were performed within this period of 2018 up to May 2022
- 7) Travel agent for airlines, hotel accommodation, etc.

Non were ever performed
