Reason for extension

Due to the COVID 19 Pandemic our fund raising efforts for Full Operational Phase are behind schedule. We request for support from TIC for the extension of our TIC Certificate of Incentives to bring all the equipment that is in Botswana to Tanzania in order to commence the Full Operational Phase of the project. Having a valid TIC Certificate of Incentives will assist us regarding the application and clearance process of required equipment with Tanzania Revenue Authority (TRA) and Tanzania Bureau of Standards Pre-shipment Verification of Conformity (PVoC) processes that are now very critical and urgent for us to proceed with the project.
