RE: APPLICATION FOR CORRECTION OF CITIZENSHIP OF ONE OF THE SHAREHOLDERS OF THE COMPANY TIC CERTIFICATE OF INCENTIVES NUMBER - 130283

Dear Sir / Madam,

Kindly refer to the above-mentioned subject matter.

Hereby, we humbly request for an amendment / correction on our TIC CERTIFICATE as per attached supporting documents; namely BRELA Search, Passport copy and project progress report.

One of our Shareholders; Mr. Mahesh Aggarwal, is a British Citizen, however, we have noted that by mistake on our TIC Certificate it is mentioned as Tanzanian Citizen. Therefore, through this letter and the attached supporting documents, we request your kind offices to make this amendment/correction to show him as a British Citizen. This will enable us to progress on other matters such as permit application smoothly.

We would like to thank you in advance for your kind consideration and cooperation.

Yours sincerely,

Navin Aggarwal
