RE: APPLICATION TO INCLUDE A PLOT WE HAVE BOUGHT

Our project was registered with the TIC and given certificate of incentives number 021237. We are applying for amendment of this certificate in order to include plot number 37 Block F at Dundani in Mkuranga District.

We have attached the following:-

1. The TIC Certificate
2. The letter from Mkuranga District Council
3. Project Progress Report

We pray to have the changes effected.

Yours sincerely

Paul Robert
