The Executive Director,
Tanzania Investment Centre (TIC),
P.O Box ~~1104~~, 938
DAR ES SALAAM.

REF. INTRODUCTION OF KALYON INVESTMENT COMPANY LTD.

The above mentioned Company is occupied a land of 407 acres purposely for establishment of Industry for manufacturing of industrial materials in our Council at Msoga Ward particularly at Msoga Village.

The said Company is basically dealing with manufacturing of building (Contracting) materials which will be originated from processing industrial materials such as calcium carbonate crystals known as calcite, dolomites, white marbles and other white stones.

These industrial minerals can be extracted by mining or quarrying by small scale miners and to sell them to the Company. The products are highly needed in East Africa, Central Africa and Tanzania at large.

For that case therefore, Chalinze District Council is forwarding to your Investment Centre the said Company in order to assist them in their project implementation process and other related aspects especially in the process of clearing their Industrial items at the Port.

We are looking forward to your quick response and facilitation of the said Company request for smooth implementation of their project and also social economic benefit of Tanzania at large.

With much respect,

Ramadhani Possi
