Dear Sir/Madam,

**RE: TIC CERTIFICATE NO. 030859-01 FOR COASTAL TRAVELS LTD**

Reference to our attached TIC certificate No. 030859-01, which we have been using for work & residence permit applications only.

The proposed activities on our TIC were to expand tented camp and a tourist hotel, however we no longer carry out those activities but instead the nature of our business is Air Charter & Schedule flights and Aircraft Maintenance.

As advised by your office, we should apply for changes on the business activities, which we shall do. However, we would like to bring to your attention that we are making some changes in shareholders too and are waiting the same to be updated on Brella. As the Brella update and TIC application on the changes may take a while, we humble request our work & residence permit applications be processed.

It is my sincere hope that our request will be granted, and we assure you of our best intentions at all times in our in business.

Regards,

Maynard Mkumbwa
