Dear Sir/Madam,

**Request for Investment Incentives Certificate for Beverages Manufacturing Project**

I trust this letter finds you in good health and high spirits. I am writing on behalf of BPK Company Ltd, a reputable local enterprise in Tanzania, which is establishing a state-of-the-art facility to produce vodka (hard liquor) and soft drinks. The company is committed to generating employment opportunities for 100 Tanzanian nationals and has earmarked a capital investment of TZS.500,000,000/- Tanzanian Shillings, which will be allocated towards the importation of advanced machinery to enhance and streamline the production process.

In line with the government’s vision to promote industrial growth, employment, and local manufacturing, we kindly request the issuance of an incentive certificate to support this project. The company will significantly contribute to the local economy by creating jobs, boosting production capacity, and enhancing the quality of locally manufactured products.

Furthermore, we respectfully request the following tax reliefs to help ensure the financial sustainability of the project during its early stages:

- **VAT deferral on machinery imports:** As the company is importing machinery valued at 500 million Tanzanian Shillings, we request the deferral of VAT on these imports to ease the upfront financial burden and improve cash flow management during the initial setup.

- **Tax exemptions or reliefs for new businesses:** Given that this is a newly established business, we would appreciate any available tax exemptions or reliefs to assist with operating costs and reinvestment into the company’s growth.

We are confident that these incentives will facilitate the successful establishment and long-term growth of the business, enabling it to contribute to Tanzania’s economic development goals.

We are happy to provide any additional documentation or details required for your consideration, and we look forward to your favorable response to this request.

Thank you for your attention and support.

Sincerely,

.....
