Dar Es Salaam - Tanzania

Dear Sir,

Re: Update of information contained in the Certificate of Incentives for Kimango Farm Enterprises Ltd.

referring to the above heading we have been advised by TIC staff to update the information contained in our Certificate of Incentives.

Kimango Farm Enterprises Ltd. has been a TIC approved investment company since 1992 (first approval). An expansion of the company was approved in 2008.

In the last few years there have been some changes in the management structure and the company has further diversified its activities.

With this letter we are applying for an update of the Certificate of Incentives and are attaching the other necessary documents such as the last six-monthly report, BRELA such report etc.

Thanking you for your assistance, I remain,

Yours Sincerely

Simone Axmann
Director

Kimango Farm Enterprises Ltd.
