Dear Sir/Madam,

RE: REQUEST FOR EXTENSION OF CERTIFICATE OF INCENTIVE

We hope this letter finds you well.

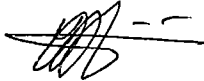

We are writing to kindly request an extension of the Certificate of Incentive for our project, MKULAZI HOLDING COMPANY LIMITED, which is still under construction. Our company, has been making consistent efforts towards the successful completion of the project. However, due to unforeseen delays, including those related to the importation of essential materials and the complexity of the construction process, we have not yet finalized the work as originally planned.

The extension of the Certificate of Incentive would greatly facilitate the continued importation of necessary materials under the current incentive scheme, allowing us to complete the project without disruption. We remain committed to ensuring the timely and successful delivery of this investment in accordance with the regulations set by the Tanzania Investment Centre.

We kindly request your favorable consideration of this application and look forward to your positive response. Should you require any additional information or documentation to support our request, please do not hesitate to contact us.

Thank you for your continued support and cooperation.

Yours sincerely,

Yusuph Mrisho
