Re: Application for TIC Certificate of Incentives

Dear Sir,

Tanlake Samaki Ltd (Certificate of Incorporation number 152831838) will be conducting a cage aquaculture project on Lake Tanganyika in Kigoma Rural District.

We are requesting a TIC Certificate of Incentives to facilitate this project which will require land to be purchased by our company. Please find attached with this letter all required documents.

We look forward to hearing back with any questions regarding this project.

Regards,
