## APPLICATION FOR TIC CERTIFICATE OF INCENTIVES

The heading above does refer.

We are a Company registered in Tanzania under Certificate of Incorporation No. 19035 of 6<sup>th</sup> February 1999. Currently, having conducted a feasibility study, we have resolved to establish a new project that will manufacture low voltage copper cables here in the country. The factory will be located at Kigamboni within the City of Dar es Salaam.

Considering the facts that this is a new project and the government – through the TIC – offers fiscal and non-fiscal incentives to projects we, being in need of these incentives for our start-up project, are applying for TIC Certificate of Incentives.

As part of our application letter we attach the following documents:-

1. TIC Application Form
2. Feasibility Study of the Project
3. MEMARTS
4. TIN Certificate
5. Certificate of Incorporation
6. Certificate of Occupancy – Land Office No. 1165055
7. Board Resolution to this application
8. Evidence of Funds for the Project

We hopefully look forward to your facilitation in as far as our project is concerned.

Yours faithfully

Allyjawad Jivraj  
Director
