Reason for extension

The Project in Serengeti National Park has faced unforeseen and unprecedented delays since 2020 due to the negative effects of Covid19 global pandemic and the resultant financial and cash flow challenges as well as delays caused by the project Contractor (M/s Dezo Civil Contractors) despite being over-paid. Additionally, there was a very long and unreasonable delay from TRA in approving the Capital/Deemed Capital Goods list despite them visiting the project site for verification exercise a very long time ago. The application to TRA was done sometime in November 2019 and TRA only replied in July 2020..!! Resultantly, due to all these unforeseen delays which were beyond our control, our project implementation period has consequently moved to November 2024.
