We are applying now – early submission because we have made the order of trucks, tractors and other cargo vehicles with our specifications the vehicles which will arrive after expiry of the implementation Period of Certificate of incentives the aim is to complete our investment proposal and exhaust our Exemption /approved list from granted by commissioner for Customs & Excise/ TRA. The Greater period of our Certificate was affected by Covid -19 Pandemic which caused lockdown

M/S ACER LOGISTICS (T) LIMITED - The cargo transportation Project has applied for renewal of the Implementation period of One Year due to various economic reasons and the Pandemic.

1. Covid 19 Pandemic has affected business/movement of goods especially the cargo transportation sector in our neighboring Countries. The Lock down due to Pandemic made the business and movement of cargo to fall at great percentage. As for the current situation the pandemic is no more in the region we are now recovering from this downfall which had a lot of impact in our business. It was difficult to order and import Trucks from exporting Country -China because of the Pandemic

2. The Company also request for Extension in order to complete the PROJECT INVESTMENT PROPOSAL which have not been fulfilled to Pandemic and also

M/S ACER LOGISTICS (T) limited recommends to the Government for better investment Policy and more incentives to support Investment especially after this downfall following the Pandemic/ Lock down. An outbreak of deadly COVID-19 virus has not only taken the lives of people but also severely crippled the economy due to strict lockdown,

We are expecting that our renewal request will be granted. Attached herewith Please find The Previous exemption letter/ Approved List from TRA, Photographs of vehicles in the Yard, importation documents/ Tansads, Bill of Lading, Original certificate of incentives.
