

18th January, 2023

The Executive Director,
Tanzania Investment Centre,
9A & B Shaaban Robert Street,
P.O. Box 938,
Dar es Salaam,
Tanzania.

Dear Sir,

New Project located within LR LON 5262, Title Number 19199, Variation Number 18298, Arumeru District - Dolly Estate, Arusha.

We hereby submit our application for a Certificate of Incentives for the new project proposed to be undertaken within LR LON 5262, Title Number 19199, Variation Number 18298, Arumeru District - Dolly Estate, Arusha. The project will be based on Tourism. The project will focus on Helicopter Tour Services.

The total value of the proposed project is US\$ 3.5 Million and the project is anticipated to create a minimum of 5 direct jobs in the first year and the number will increase as the operations continue. Tropic Helicopters Ltd will also endeavour to fill each position that will be available with locally employed Tanzanian staff. It is expected as well that the project will create multiple indirect opportunities for Tourism Operators and countrywide Tourism service providers in the industry.

Furthermore, the project requires erection of an aircraft hangar for 2 helicopters complete with workshops, bonded stores and offices in a bespoke facility which will be pre-fabricated. The company will also make importation of machinery and vehicles to support the operations in the project, however currently with the present local manufacturers there is a low production or lack of the required equipment for this type of pre-engineered steel structure (pre-fabricated) for building an aircraft hangar. Thus, we humbly request that TIC take the same into consideration and recommend grant of partial import duty exemption on the steel structure, machinery and the vehicles to be involved in the project.

We look forward to your positive consideration to our requests.

Yours sincerely,

For Tropic Helicopters Limited
