RE: RE-APPLICATION FOR TIC CERTIFICATE OF INCENTIVES

We are a locally registered company under Certificate of Incorporation No. 11668 dated 10th December, 1995. The Company has therefore been operating in the country for over 35 years, mainly in the construction industry. The directors are now desirous to diversify their business activities and are seeing vast opportunities in the salt farming industry, among others.

We are envisaging establishing and operating a salt farm at Kerege Village beach, Bagamoyo District in the Coast Region using salt water collected in salt pans/ponds as the source of raw material and water evaporate through solar energy production technique to obtain raw salt granules.
