Dear Sir/Madam,

Application for Certificate of Incentives (Resubmission)

It is with pleasure that we submit our application for a Certificate of Incentives for Sudi Samaki Limited to establish an ice making and cold storage business in Mgao Village, Mtwara District.

This is a private SME initiative aimed at mitigating post harvest losses experienced by fishermen and traders in the fishing village of Mgao. The availability of ice would significantly increase the value of the product, as fresh fish, when delivered to market on ice, commands better prices compared to salted, smoked, fried or dried fish. The project has good potential for organic expansion, as well as into related sectors of the fishing industry such as fish processing, cold chain logistics and fresh fish exports.

The following documents are attached in support of this application.

1. Duly completed TIC application form
2. A certified copy of the Memorandum and Articles of Sudi Samaki Limited
3. Certified copy of the Certificate of Incorporation
4. Business Plan including five years projected cash flows
5. Evidence of sufficient finance capital for the project
6. Land lease agreement
7. Company Board Resolution to register the project with TIC
8. TIC Application form receipt (USD 1,100-00)

It is our hope that the above and the attached are in accordance to your requirements and we look forward to your favourable response.

Yours faithfully,

Edwin Fernandes
Director
