Dear Sir

RE: APPLICATION FOR CERTIFICATE OF INCENTIVE

Please refer to the heading above.

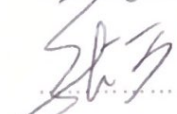

Keda (Tanzania) Ceramics Company Ltd is a ceramics company registered in the United Republic of Tanzania in 2016, with the certificate of incorporation number 122987.

Our company has grown up and we are expanding our investment by opening up a new project that will be dealing with the manufacturing of glass.

With that intention, we would like to apply for the certificate of incentive for our new glass project that will be located at the Mbezi Msufini in the Mkuranga district Pwani region.

I hope our request will be considered positively.

Best Regards

Zhang Wan

Managing Director
