Dear Sir/ Madam

**RE: APPLICATION FOR EXTENSION OF TAX INCENTIVE CERTIFICATE.**

Referring to the heading above, we are a Mineral processing company based in Dar es Salaam conducting mining operations in Coastal region Tanzania. Our project was registered with you and was granted the TIC Certificate number **017124** on 25<sup>th</sup> January 2019.

The reason for this application is due to the delay in the implementation period. The original timeline was affected by the covid-19 pandemic which distorted our supply chain of industrial inputs. Therefore, the company spent time waiting for the necessary materials to complete portions of the project. As a result, the planned Production and the desired investment level have not yet been realized in full. The company wishes to continue investing in the project.

The progress report has been attached to elaborate on the status of the project.

We are looking forward to your usual cooperation.

Yours in Building the Nation
