**RE: APPLICATION FOR AMENDMENT OF TIC CERTIFICATE OF INCENTIVES  
FOR MOUNT MERU MILLERS LIMITED**

Dear Sir,

We humbly request you to kindly add the following properties in the Certificate of Incentives No. 010470 given to Mount Meru Millers Limited and provide derivative rights for the same.

1. Plot No. 1-4, Njuki Service Trade Plots in Njuki Area, Singida
2. Plot No. 14-18, Njuki Service Trade Plots in Njuki Area, Singida

The above-mentioned plots were part of the property owned by Mount Meru Millers Limited and were left un-surveyed earlier which was the reason that these plots were not mentioned in the original Certificate of Incentives. The Land rent and the TIC facilitation fees for the above plots have been already paid.

We requesting your good office to consider this application and approve at earliest. Your kind consideration will be highly appreciable.

Hoping that the above information will fulfill your requirements in order to consider and approve the Application. Your kind consideration will be very highly appreciated.

Thanking You,  
Yours truly,

**Mount Meru Millers Ltd  
Authorized Signatory**
