to time determine. In the case of a share held jointly by several persons, delivery of a certificate to one of several joint holders shall be sufficient delivery to all. The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys, whether presently payable or not, called or payable at a fixed time in respect of such share, and the Company shall also have a first and paramount lien and charge on all shares (other than fully paid shares) standing registered in the name of a single Member for all the debts and liabilities of such Member or his estate to the Company, and whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such Member, and whether the time for the payment or discharge of the same shall have actually arrived or not, and notwithstanding that the same are joint debts or liabilities of such Member or his estate and any other person whether a Member or not. The Company's lien on a share shall extend to all dividends payable thereon. But the Board may at any time declare any share to be wholly or in part exempt from the provisions of this article. Unless otherwise agreed, the registration of a transfer of shares shall not operate as a waiver of the Company's lien, if any, on such shares.
24. The Company may sell, in such manner as the Board may think fit, any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of fourteen days after a notice in writing stating and demanding payment of the sum presently payable and giving notice of the intention to sell in default shall have been given to the holder for the time being of the share or to the person entitled by reason of his death or bankruptcy to the share.
25. The net proceeds of sale shall be applied in or towards payment or satisfaction of the debt or liability in respect whereof the lien exists so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the shares prior to the sale) be paid to the person entitled to the shares at the time of the sale. For giving effect to any such sale the Board may authorize some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

CALLS ON SHARES

26. The Board may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal amount of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times, provided that no call shall exceed one-fourth of the nominal amount of the shares or be payable earlier than one month from the date fixed for payment of the last previous call, and each Member shall (subject to the Company giving to him at least fourteen days'

notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his shares. A call may be revoked or postponed as the Board may determine.

27. A call may be made payable by instalments and shall be deemed to have been made at the time when the resolution of the Board authorizing the call was passed.
28. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
29. If a sum called in respect of a share be not paid before or on the day appointed for payment thereof the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate, not exceeding ten per cent. (10%) per annum, as the Board may determine, but the Board shall be at liberty to waive payment of such interest wholly or in part.
30. Any sum which, by the terms of issue of a share, becomes payable on allotment or at any fixed date, whether on account of the nominal amount of the share or by way of premium, shall for all the purposes of these Articles be deemed to be a call duly made and payable on the date on which, by the terms of issue, the same becomes payable, and in case of non-payment all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
31. The Board may make arrangements on the issue of shares for a difference between the holders in the amount of calls to be paid and in the times of payment.
32. The Board may, if it thinks fit, receive from any Member willing to advance the same, all or any part of the moneys uncalled and unpaid upon any shares held by him and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate, as may be agreed upon between the Board and the Member paying such sum in advance. The Directors may at any time on giving not less than three months' notice in writing to such Member repay to him the amount by which any such advance exceeds the amount actually called up on the shares.

TRANSFER OF SHARES

33. No shareholder shall sell, assign or otherwise transfer any shares without the prior written consent of the other shareholders except as provided in this Article.
34. If any Member (the "Offeror") wishes to transfer any of its shares in the Company, it shall first offer ("the Offer") all of such shares it is seeking to transfer ("the Offer Shares") to the other Members ("the Offeree").
35. The Offer shall:
 - (a) be in writing and shall be delivered by the Offeror to the Offeree at its address registered with the Company with a copy to the Company Secretary;
 - (b) be irrevocable and open for acceptance by the Offeree for a period of thirty (30) days following the date of receipt of the Offer by the Offeree;
 - (c) if an offer for the Offer Shares has been made by a bona fide third party to the Offeror, be accompanied by a true and complete copy of any such offer; and which

in either case must contain the name of the bona fide third party and in the case where the bona fide third party is acting in the capacity of agent, the name of his ultimate principal;

- (d) in all other cases apart from those referred to in Article 35(c), stipulate a cash price at which the Offeror is prepared to sell the Offer Shares and which shall be payable free of set-off or other deduction against delivery of the certificates in respect of the Offer Shares in negotiable form to the Offeree or its nominee; and
 - (e) not be subject to any other term or condition except that whole (and not a part only) of the Offer must be accepted.
36. In the event that the Offer is accepted by more than one of the Offerees, the right of first refusal mentioned above shall be deemed to be proportionate to each Offeree's existing shareholding in the Company. For the avoidance of doubt, in the event any Offeree does not accept the Offer each Offeree which has accepted the Offer shall be entitled, within twenty (20) days after being notified by the Offeree that any Offeree has not accepted the Offer, to accept the whole (and not any part) of the Offer in respect of the Offer Shares not accepted by any Offeree at the same price and on the same terms as stated in the original Offer.
37. If the whole of the Offer (and not part only) is not accepted by the Offeree within the period referred to in Article 35(b) (as extended, if necessary, pursuant to Article 36), then the Offeror shall be entitled, within thirty (30) days after such non-acceptance, to sell and transfer all (but not a part only) of the Offer Shares to a bona fide purchaser (and, where Article 35(c) is applicable to the bona fide third party referred to therein) ("the Third Party") at a price not lower and on terms and conditions not more favorable to that Third Party than those at which the Offeree was entitled to purchase the Offer Shares in terms of the Offer. Should the Offeror not sell all the Offer Shares within such thirty (30) day period, then Articles 34-37 inclusive shall apply de novo.
38. No transfer shall be registered unless a proper instrument of transfer shall have been delivered to the Company. The instrument of transfer of a share shall be executed by both the transferor and the transferee, and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. All instruments of transfer, when registered, shall be retained by the Company.
39. The Board may, in its absolute discretion and without assigning any reason therefore, decline to register any transfer of shares (other than fully paid shares) to a person of whom it shall not approve. The Board may also decline to register any transfer of shares on which the Company has a lien.
40. The Board may decline to recognize any instrument of transfer if:
- (a) such fee to be determined by the Board is not paid to the Company in respect thereof;
 - (b) the instrument of transfer is not lodged with the Company at the registered office of the Company or is not accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and
 - (c) the instrument of transfer is in respect of more than one class of shares.

41. If the Board refuses to register a transfer it shall, within two months after the date on which the transfer was lodged, send to the transferee notice of the refusal and the instrument of transfer that the Board has refused to register shall be returned to the transferee.
42. The Company shall be entitled to charge a fee to be determined by the Board on the registration of every probate, letters of administration, certificate of death or marriage, power of attorney, or other instrument relating to or affecting the title to any share.

TRANSMISSION OF SHARES

43. In case of the death of a Member the survivor or survivors where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole holder, shall be the only persons recognized by the Company as having any title to his shares; but nothing herein contained shall release the estate of a deceased joint holder from any liability in respect of any share jointly held by him with other persons.
44. A person entitled to a share in consequence of the bankruptcy or death of a Member shall be bound at any time, if and when called upon in writing by the Directors so to do, to transfer such shares, as then registered in the name of the bankrupt or deceased Member, in favor of a nominee named by the Board.
45. A person becoming entitled to a share in consequence of the death or bankruptcy or liquidation of a Member shall be entitled to receive and may give a discharge for any dividends or other moneys payable in respect of the share, but he shall not be entitled in respect of the share to receive notices of or to attend or vote at general meetings of the Company or, save as aforesaid, to exercise in respect of the share any of the rights or privileges of a Member until he shall have become registered as the holder thereof.

FORFEITURE OF SHARES

46. If a Member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Board may at any time thereafter during such time as any part of such call or instalment remains unpaid serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest and expenses which may have accrued.
47. The notice shall name a further day (not being less than fourteen days from the date of the notice) on or before which and the place where the payment required by the notice is to be made, and shall state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which such call was made or instalment is payable will be liable to be forfeited. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references herein to forfeiture shall include surrender.
48. If the requirements of any such notice as aforesaid be not complied with, any share in respect of which such notice has been given may at any time thereafter, before payment of all calls or instalments, interest and expenses due in respect thereof has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited shares and not actually paid before the forfeiture.
49. When any share has been forfeited, notice of the forfeiture shall forthwith be given to the holder of the share or the person entitled to the share by reason of the death or bankruptcy or liquidation of the holder (as the case may be); but no forfeiture shall be in any manner

The notice shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given, and shall specify the place, the day and the hour of meeting, and, in the case of special business, the general nature of that business. The notice convening an Annual General Meeting shall specify the meeting as such, and the notice convening a meeting to pass a special or extraordinary resolution shall specify the intention to propose the resolution as a special or extraordinary resolution as the case may be. Notice of every General Meeting shall be given in manner hereinafter mentioned to such persons as are, in accordance with the provisions of these Articles, entitled to receive such notices from the Company, and also to the Auditors of the Company for the time being:

If any votes shall be counted which ought not to have been counted or might have been rejected the error shall not vitiate the resolution unless it be pointed out at the same meeting and not in that case unless it shall, in the opinion of the Chairman of the meeting, be of sufficient magnitude to vitiate the resolution.
70. If a poll is duly demanded the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

Any committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on it by the Board.
126. The meeting and proceedings of any committee consisting of two or more members shall be governed by the provisions herein contained for regulating the meetings and proceedings of the Board so far as the same are applicable and are not superseded by any regulations imposed by the Board under the last preceding Article.
127. A resolution in writing signed by the majority of Directors entitled to receive notice of a meeting of the Board or passed by the majority of members of a committee or by teleconferencing by phone by a number thereof constituting a quorum, shall be as valid and effectual as a resolution passed at a meeting of the Board or, as the case may be, of such committee duly called and constituted. Any such written resolution may be contained in one document or in several documents in like form each signed by one or more of such Directors or members of the committee concerned.
128. Every act done by the Board or committee or by any person acting as a Director or member of such committee, notwithstanding it be afterwards discovered that there was some defect in the appointment of such Board or committee or of any person acting as aforesaid or that they or any of them were disqualified or had vacated office, shall be as valid as if every such Board or committee or person had been duly appointed and was qualified and had continued in office down to the time of performance of such act.

DIVIDENDS

129. The Company in General Meeting may from time to time declare dividends to be paid to the Members according to their rights and interests in the profits, but no dividend shall be declared in excess of the amount recommended by the Board.
130. All dividends shall be declared and paid according to the amounts paid up on the shares in respect whereof the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the share. All dividends shall be apportioned and paid *pro rata* according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share be issued on terms providing that it shall rank for dividend as from a particular date such share shall rank for dividend accordingly.
131. The Board may from time to time pay to the Members such interim dividends as appears to the Board to be justified by the position of the Company; the Board may also pay the fixed dividend payable on any preference shares of the Company half-yearly or otherwise on fixed dates, whenever such position, in the opinion of the Board, justifies that course.
132. The Board may deduct from any dividend or bonus payable to any Member all sums of money (if any) presently payable by him to the Company on account of calls.
133. No dividend shall bear interest against the Company.
134. Any dividend, interest or other sum payable in cash to the holder of shares may be paid by cheque addressed to the holder at his registered address or, in the case of joint holders, addressed at his registered address to the holder whose name stands first on the Register in respect of the shares or by telegraphic transfer. Every such cheque or telegraphic transfer shall, unless the holder otherwise directs, be made payable to the order of the registered holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk. Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payable in respect of the shares held by such joint holders.
135. Any general meeting declaring a dividend may, upon the recommendation of the Board, direct payment or satisfaction of such dividend wholly or in part by the distribution of specific assets, and in particular of paid-up shares or debentures of any other company, and the Board shall give effect to such direction, and where any difficulty arises in regards to such distribution the Board may settle it as it thinks expedient, and in particular may fix the value for distribution of any such specific assets and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to secure equality of distribution.

RESERVES

136. The Board may before recommending any dividend set aside out of the profits of the Company such sums as it thinks proper as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (other than shares of the Company or its holding company, if any) as the Board may from time to time think fit. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to divide.
137. The Board shall transfer to share premium account sums equal to the amount or value of

any premiums at which shares of the Company may be issued, and the provisions of these Articles relating to reserves shall be applicable to the sums for the time being standing to the credit of share premium account.

CAPITALISATION OF PROFITS

138. The Company in General Meeting may upon the recommendation of the Board, at any time and from time to time, pass a resolution to the effect that it is desirable to capitalise any part of the amounts for the time being standing to the credit of any of the Company's reserves or to the credit of the profit and loss account or otherwise available for distribution and not required for the payment of the fixed dividends on any preference shares of the Company and accordingly that such sum be set free for distribution among the Members or any class of Members who would be entitled to such profits if distributed by way of dividend and in the same proportions, on the footing that the same be not paid in cash but be applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in payment up in full of unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members or partly in one way and partly in the other, and the Board shall give effect to such resolution. Provided that a share premium account and a capital redemption reserve may, for the purposes of this Article, only be applied in the paying up of unissued shares to be issued to Members of the Company as fully paid bonus shares.

Where any difficulty arises in regard to any distribution under the last preceding Article the Board may settle the same as it thinks expedient and in particular may issue fractional certificates or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract requisite or convenient for giving effect thereto and such appointment shall be effective and binding upon the Members.

required by law to be annexed thereto) which is to be laid before the Company in General Meeting and of the Directors' and Auditors' reports shall, not less than twenty-one days before the date of the meeting, be sent to every Member and to every holder of debentures of the Company and copies of each of these documents shall at the same time be forwarded to all persons entitled to receive notices of General Meetings of the Company: Provided that this Article shall not require a copy of those documents to be sent to any person of whose address the Company is not aware or to more than one of the joint holders of any shares or debentures.

147. Any notice or other document delivered or sent by post to or left at the registered address of any Member in pursuance of these presents shall, notwithstanding that such member be then dead or bankrupt, and whether or not the Company has notice of his death or bankruptcy, be deemed to have been duly served in respect of any share registered in the name of such Member as sole or joint holder unless his name shall at the time of the service of the notice or document, have been removed from the Company's Register or Branch Register as the holder of the share, and such service shall for all purposes be deemed a sufficient service of such notice or document on all persons interested (whether jointly with or as claiming through or under him) in the share.
