

Johari Rotana hotel is the biggest business hotel in Dar and it was invested by CRJE ESATE LIMITED. The main activity of the hotel is to provide food and beverage, rooms, banquet and conference service to the guests. The hotel has 256 key and 3000 square meters for conference facility. The project was completed in September 2019 and the total investment was above USD 100,000,000 . During the construction, more than 5000 local employees have been employed, and during operation period, we employed more than 300 local employees.

We reopened the hotel in June 2022, to facilitate the operation of hotel, we need to employ hotel expatriates to train the local employees, and we also need expatriates to do the operation.

We plan to employ 200 Tanzanian in first year, and 300 in second year and 400 in the third year.
