Dear Sir!

**REF:APPLICATION FOR CERTIFICATE OF INCENTIVE.**

Dear Sir/Madam,

I am writing to request the Tanzania Investment Center (TIC) to register our company, Lukase Limited, with a Certificate of Incentive and to register our company with the TIC.

Lukase Limited is a transportation and fuel business located in Kilimanjaro region with an office in Dar es Salaam. We believe that registering our company with the TIC will help us to benefit from the incentives that the government offers to investors, and will allow us to contribute to the economic growth of Tanzania.

We kindly request that the TIC processes our registration as soon as possible, and that we are granted a Certificate of Incentive and tax exemptions. We are committed to complying with all the regulations and requirements set forth by the TIC and the government of Tanzania.

Thank you for your attention to this matter. We look forward to hearing from you soon.

Sincerely,

Raston Gabusha,  
Director.
