Dear Sir,

RE: REVISED FINANCIAL MODEL FOR EPSOM LIMITED

Epsom Limited is an all engineering company based in Geita, Mwanza. Since its inception in the late nineties Epsom Limited has grown from being a company that solely supplied goods to the Mining Industry in Tanzania to a company that offers welding & fabrication services, machining services, supply of welding equipment and consumables from Lincoln Electric company, supply of hydraulics hoses and fittings, line boring services and hire of lifting equipment's.

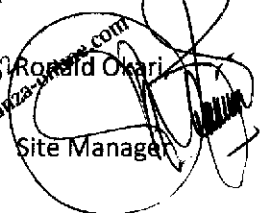

We are writing to you requesting changes in the new certificate to reflect the current investment of capital status which we highlighted in the TIC progress report format. We also request the following to reflect in the new certificate;

1. Change of shareholder name
2. Change of company name
3. Change of investment capital to reflect local equity

We are looking forward to a favorable response to this.
