Dear Sir/Madam

**RE: APPLICATION FOR AMENDMENT OF CERTIFICATE
OF INCENTIVES ISSUED ON 12 APRIL 2023**

Please refer the heading above,

We are company incorporated in Tanzania applying for amendment of certificate due to corrections of project location. We applied for certificate of incentive and obtain the certificate number 202341141 on 12 April, 2023.

The project location in the certificate was erroneously recorded as PLOT NO.620, BLOCK "A" KABWERA, and KARAGWE-KAGERA. The CORRECT project location is **PLOT NO. 620, BLOCK "A" KABWERA, MISENYI – KAGERA** as shown in the lease agreement.

We hope our request will be processed quickly as our goods have arrived at the Dar Port

Attached herewith the following copy documents:

- i. TIC application form
- ii. Business Plan
- iii. TIC Certificate
- iv. Lease agreement/ title deed

Yours sincerely

Leonard Kachebonaho
Managing Director
