Dar es Salaam, TANZANIA

Dear Sir/Madam,

**RE: APPLICATION FOR RENEWAL OF CERTIFICATE OF INCENTIVE**

In accordance with the terms of Certificate of Incentive sanctioned by your office to us, we are required to renew the certificate by the expiry date which was end of March 2020. However, we would like to inform you that due to filing miscommunication, we put up the certificate without the second page and so our administration was not aware of renewal condition for the certificate until recently.

Due to the above mentioned reason, there has been a delay in submission of the renewal application as required. Therefore, we would like to request your good self to allow us to renew the certificate and continue to benefit from your services.

We will be grateful to you for your understanding and cooperation in the matter.

Thanking you in advance.

Yours faithfully,

Gokhan Guven

Director

Atlantic Metal Limited
