Reason for extension

The main reason for requesting an extension is because we could not use the incentive at this moment due to the problems that we encored during the Covid – 19 Pandemic. During this time we could not use this opportunity because there was no any shipments from abroad due to the closer of the shipping business around the world which led to us not being able to use our incentive to any of the products that we are planning to import and use like raw materials and construction materials as well.
