TANZANIA INVESTMENT CENTER
DAR ES SALAAM

RE. PROOF OF INVESTMENT.

Please refer to the lesson above.

Kirin Company Ltd Director Mr Cheng Qiang has come to my office and introduced himself to the effects that his company intends to make an investment by starting sea farming of algae where modern farms of algae will be cultivated in the sea at the Indian Ocean.

They can invest in Mtwara only if their purpose complies with the laws of the land and if will be allowed by the relevant authorities.

Thanks
D. HARRY U. A. ...
