RE: APPLICATION FOR AMENDMENT OF OUR CERTIFICATE OF INCENTIVES NO. 20226805

Please refer to the heading above. We registered our project for manufacturing of wood products and were granted TIC Certificate No. 20226805 on 14th June 2022. Originally the project was planned to be located at **Plot No. 123 Block D** in Temeke Area within the city of Dar es Salaam but now we have changed our location plan.

We are thankful for your continued support throughout the registration process. So far, we have smoothly acquired the land we desired. This is the land located at and identified as **Plot No. P22221 block B** Kigogo, Kisarawe IIwithin the municipality of Kigamboni in Dar es Salaam.

We kindly ask your good office to help us by recording on our TIC certificate this new location. It is on this location that we will implement our project of furniture and wood products manufacturing.

We thank you for your support.

Yours,
