RE: APPLICATION FOR CERTIFICATE OF INCENTIVES

Dear Sir,

I am writing on behalf of ELLYCIT INTERNATIONAL LIMITED, with a registered office located at Dodoma city. We are interested in applying for a Certificate of Incentives under the provisions of the Tanzania Investment Act 2022.

Our company is considering a significant investment in Mining in Tanzania, which aligns with the economic development goals of the country. After careful consideration of the benefits offered by the Tanzania Investment Center (TIC) and the potential positive impact on our investment project, we would like to request your guidance and support in obtaining the Certificate of Incentives.

We have reviewed the eligibility criteria and requirements outlined in the TIC's guidelines for the Certificate of Incentives, and we believe our investment project fulfills the necessary conditions for

consideration. We are confident that receiving the Certificate of Incentives would provide substantial support and encouragement for our investment plans in Tanzania.

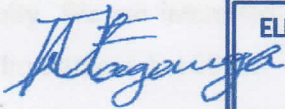

In light of the above, we kindly request the TIC's assistance in guiding us through the application process. We would greatly appreciate if you could provide us with the necessary application forms, detailed instructions, and a list of supporting documents required in completing the application. Additionally, any information regarding the timeline and any specific requirements for our investment project would be invaluable to us.

We assure you that we will comply with all the procedures and regulations set forth by the TIC and provide any additional information or documentation required to facilitate the application process. We are committed to transparency and adhering to the highest standards of business ethics.

Should it be necessary, we are prepared to attend any meetings or provide further information to support our application. As well, we have attached Board Resolution, Business Plan, Certificate of Incorporation, Evidence of Land Ownership, Memorandum and Article of Association, and TIN.

Thank you for considering our request. We look forward to your positive response and the opportunity to contribute to the economic development of Tanzania through our investment project. Should you require any additional information or clarification, please do not hesitate to contact us.

Yours faithfully,

**FRANK JOSEPH MAGANGA,
THE DIRECTOR OF OPERATIONS.**
