Dear Sir,

**RE: APPLICATION FOR AMENDMENT OF CERTIFICATE OF INCENTIVES NO. 2020689
ON PROJECT LOCATION**

Regional Air Services Limited (RAS) is a domestic airline registered and operating in Tanzania and is a subsidiary of Airkenya Express Limited, a leading domestic airline in Kenya. Regional Air Services Limited has been registered with TIC and being granted Certificate of Incentives No. 2020689.

A company bought the Land Plot No. 314 Block A Olorien Area- Ngaramtoni ya Chini, Arusha District and it is in the process of constructing the company's operational offices which will create a better working environment for our staff and enable us serve our customers better and so, the company requests to amend the Certificate of Incentives by adding **Block A** in the project location on Certificate of Incentives and to be read as **Pot No. 314 Block A, Olorien Area, Ngaramtoni ya Chini- Arusha**, the main reason is that the project location on Certificate of Incentives to appear the same as it is in the sales agreement, this is the necessary condition to be fulfilled for the on-going process of Derivative Rights.

With this letter, we have attached the following documents for your reference:-

- i. Certified copy of sales agreement
- ii. Progress Report
- iii. Project photos
- iv. Certified copy of Certificate of Incentives
