Dear Sir,

RE: APPLICATION FOR EXTENSION OF CERTIFICATE OF INCENTIVES NO. 2020689

Regional Air Services Limited (RAS) is a domestic airline registered and operating in Tanzania and is a subsidiary of Airkenya Express Limited, a leading domestic airline in Kenya. Regional Air Services Limited has been registered with TIC and being granted Certificate of Incentives No. 2020689.

We recently applied for amendment of our certificate of incentive, however, we overlooked the fact that the current certificate has already expired.

Through this application, we are making a kind request for your office to grant us a one-year extension on our certificate in order for us to continue with the intended project of construction of office premises.

With this letter, we have attached the following documents for your reference: -

- i. Certified copy of Certificate of Incentives
- ii. Copy of our last letter requesting for amendment.

Yours Faithfully,

Capt. Hamza Bakari Mwapachu

General Manager
