Dear Sir/Madam

RE: REQUEST FOR EXTENSION OF CERTIFICATE OF INCENTIVE

Refer the heading above

We are writing to you to request for extension of our company CERTIFICATE OF INCENTIVE of our Kibaha area which was proposed to establish poultry whereby implementation period was from September 2014- August 2020 but we did not continue with the project due to the reason of Land disputes.

When we have registered TIC Certificate on September 2014, we started to build a wall fence on 2015 but unfortunately police came and took our people we tried to bail them out and asked for the reasons of this problem and we found out that the land has case in court that there are 5 acres belong to another person. So we have been afraid of continue due to police condition to jail people and also we were waited for case to be solve so that we can continue with project because we have legal documents of owning that land which we got from TIC.

After all of this problem came but in that time our lawyer tried to communicate with TIC to intervene so that we can solve this because Kibaha court did not communicate TIC. In the end of 2022 TIC intervene and return the matter to the supreme court of land for proceeding after reviewing documents and found out that SUNSHARE we got legal documents.

Hence, we seek for your written advice if we can proceed with the project and extending our certificate while case is in court so that if any inconveniences occur, we have proof from your good office.

Thanking you in advance
