Dear Sir,

Re: Amendment of Project Location-Kahama Solar Project

SSI Energy Tanzania Limited wishes to apply for amendment of project location in the certificate of incentives **No. 20223725** to incorporate **Plot No. 77 Block 'A'** situated at Chapulwa Area in Kahama Municipal Council in order to guarantee our interest in land for our project in Kahama, as SSI Energy Tanzania Ltd is a majority foreign owned business.

We are grateful to TIC for support in issuing the Certificate in respect of this exciting and important project.
