Dear Sir/ Madam,

RE: APPLICATION FOR TIC REGISTRATION

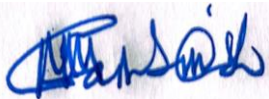

Please refer to the heading above. Our company Alama Africa Limited has been registered recently in Tanzania. We are planning to establish a dry cargo transportation project in our country. We are locals.

We are confident that the project will be successful and will benefit shareholders, government of Tanzania and the Tanzanian population of individuals, companies and SMEs. Therefore, we write to you asking for TIC registration so that we can enjoy soft landing for our project.

With this application we attach the required documents.

Looking forward to be guided further and be granted the registration.

Yours faithfully,

Mrisho M. Gambo
