You now have more time to let us know about certain check errors on your account

In June we increased the timeframe for when you can make a claim for checks drawn on your account that have either been altered or that you did not authorize. You now have up to 60 days from when we make a statement available to make a claim on these items in order to be considered for reimbursement.

We've updated the **Safeguarding Your Information** section in our Deposit Account Agreement to reflect this change as well as provide additional information about our check claims process.

If you'd like a copy of the Deposit Account Agreement, please visit chase.com/business/disclosures, visit a branch or call us at the number on this statement. We also accept operator relay calls.
