REF: APPLICATION FOR REGISTRATION OF TOUR INVESTMENT PROJECT

Reference is made to the above caption,

We Ona Safari Limited, a company duly registered as per the Tanzanian Laws under the Companies Act CAP 212 with registration number **99138** found in Arusha at the above-stated address.

We are writing to express our interest in registering a tour investment project with Tanzania Investment Centre as a local investor. We are excited about the opportunity to contribute to the tourism industry in Tanzania and believe that this project has the potential to create a positive impact on both the local economy and the tourism sector as a whole.

Project Overview:

The project involves the building of tented camps and lodges. The location of the camps and lodges are to be in and out of different parks found in Tanzania such as Serengeti, and Manyara, (to mention but a few). The investment amount for a start is \$500,000.

Brief Project Description:

The Project is an innovative and sustainable tour investment project aimed at providing unique and immersive experiences for tourists while preserving the natural and cultural heritage of the region. The project will offer quality and suitable accommodation for the tourist who will be visiting Tanzania for tourism purposes at different parks found in the country and even out of the parks, also a range of activities that highlight the local traditions, wildlife, and scenic beauty, creating a well-rounded and unforgettable experience for visitors.

Investment Opportunity:

We are seeking \$500,000 to fund various aspects of the project, including infrastructure development, marketing, staff training, and operational expenses. The potential for growth in Tanzania's tourism sector, coupled with our strategic approach, positions this project as an attractive investment opportunity.

Benefits to Tanzania:

Our project aligns with the government's efforts to promote sustainable tourism and economic development. By investing in this venture, we aim to:

1. **Generate Employment:** The project will provide job opportunities for local residents, contributing to reduced unemployment rates in the area.
2. **Boost Local Businesses:** Collaboration with local suppliers and businesses will foster economic growth within the region.
3. **Preserve Culture and Environment:** We are committed to sustainable practices that protect the environment and respect local cultures.
4. **Increase Revenue:** Increased tourist inflow will lead to higher revenue collection for the government, aiding in infrastructural and community development.

Request for Registration:

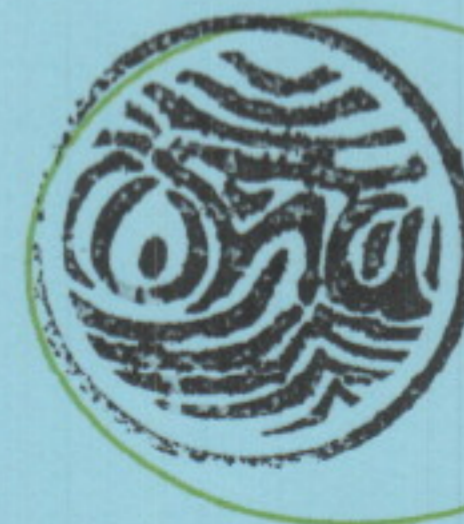

We kindly request for the center to find merit in our investment and kindly act upon the said request for registering our tour investment project]. I am eager to comply with all regulatory requirements and provide any additional documentation required for the registration process.

We are open to discussing this project further and would welcome the opportunity to present a comprehensive business plan to demonstrate the viability and potential impact of the Project.

Thank you for considering my application. I look forward to your positive response.

Sincerely,

Julius Mkodo (Managing Director Ona Safari Limited.)
