- **Problems and Solution**
  - Because of CoVID 19 we could not import the planned vehicles. We decided to buy few trucks locally to help us keep moving
  - There was a delay in bank loan approval but after long follow-up it was approved and now we are ready to import
  
- **Future Plans**
  - To buy about 150 trucks from abroad and enjoy incentives/tax exemption on the same
  
- **Recommendations and any other comments**
  - We are looking forward to getting our project certificate of incentives extended and enjoy exemption from TIC/TRA so that we can contribute more to the development of the transportation sector
