Dear Sir/Madam,

Sub: Correction of Shareholder name in TIC certificate of incentives

This letter is to request correction of our Shareholder name in TIC Certificate of incentives. The name of our shareholder is "LAXMI TULASI PITTALA" but the name of "Lakshmi tulasi Pittala" is printing on Certificate of Incentives. This would create hurdles for issuing the Residence permit and auditing in accounts. We are requesting this correction of our share holder s name in TIC Certificate of incentives to avoid any inconvenience. Also we are requesting you to please issue a certificate of incentives with correct name.

We are looking a prompt response.

Thanking you.

Chairman/Director
