19th Dec 2022

Dear Sir/ Madam

RE: NATURAL GAS PROCESSING PLANT PROJECT REGISTRATION

Kindly consider the heading above,

We are specialized dealers in natural gas vehicle conversion with one natural gas filling station at Tazara.

We are expanding our project to make natural availability to upcountry regions through liquefied gas hauler system, we are expecting to build the min LNG processing plant to be located at Mwanambaya village of Coast region of Tanzania.

The project total costing 23.1Billion Tanzania shillings will be expected to be accomplished within six months.

We are here by writing to your respectable office to register our investment ,and issue relevant certificates accordingly.

We appreciate immediate response

Yours sincerely,

.....
Mercy Chilumba-Director.
