Dear Sir,

**Re: RE: APPLICATION FOR THE EXTENSION OF THE CERTIFICATE OF INCENTIVES NO: 017139 OF 2018**

**May.**

We are pleased to submit a progress report for the period 2018- May 2021 April as attached to this letter. The purpose of this report is to present the progress of project implementation as required by the Tanzanian Investment Centre, and to request further support from your office in terms of ensuring necessary facilitation with other Government agencies.

We are applying for the extension of the implementation period for the Certificate of Incentives No: 017139 which is implementation period has expired, May 2021.

However as per progress report just attached herewith in the Problem and solutions part of it, you find major reasons ie Global Invasions by Covid 19 whereby most foreign visitors around the world, sniffing the possibilities of pandemic as early as late November and December 2019, and then by January 2020 the pandemic became horrific disaster world over and **lockdowns** was announced all over as a results number of projects, especially, manufacturing, tourisms, and others businesses halted if not collapsed alongside with the running away to our experts to fix the machines, cancellations of flights and hotel bookings and as we may all recall, the businesses came to a standstill and resulted in delaying updating our certificates and many other projects, and for that case we **here and humbly request your respected office to refresh our certificate for three (3) years** so as to accomplish our objectives and missions all aiming at boosting manufacturing activities, in supporting our Mama, Her Excellency Samia Suluhu Hassan's dreams in reviving and boosting the country economy via the just national slogans, **Industrialisation economy**, which its multiplier effects was on hot spotty, as signalled by abundant number of foreigners fled the country by then, and thanks to the efforts made by scientists and researchers to control the spread of the pandemic through several measures in a ways of injections around the world, its under control in other words.

Now our experts are back and ready to fix the reaming part of the prefab structures and other necessary machines for the project to take off, these efforts are aiming at boosting and speeding the economic growth for the benefit of the nation as whole.

We **humbly** request your very **respected centre** to furnish the extension/refresh of this Certificate of Incentives to three years so as to enable us fulfil the remaining assignments and development projects as indicated in sections 7 and 8 of the progress report.

We thank you for your continued support and cooperation.  
Yours sincerely
