Dear Sir,

**APPLICATION FOR CERTIFICATE OF INCENTIVES FOR PROJECT FOR MANUFACTURING SEALS**

We hereby wish to apply for a new certificate of Incentives for investment we are making as a local company in a project for the manufacture of seals.

The project is geared at fulfilling the existing gap in manufacturing of seals in the Tanzanian market. Seals are widely used in various industrial machines and equipment for sealing of fluids against leakages.

The project is estimated to cost TSH 1,074,253,000/= and is expected to be completed by 07/07/2023.

The title deed for land for the project has been applied for from the Ministry of Lands and preparation of the title deed is under process. We have attached herewith a letter by the local government on ownership of the land by one shareholder and document authorizing survey for the plot for the land by the Kinondoni Municipal Council.

Contact persons for the project are as follows.

1. Eng. Abiud Mhidze- Phone 0710280810
2. Gloria Mhidze - Phone 0778138873

We hope our application will be favourably considered and approved.

Yours faithfully,
