

Our Ref. STM/AD71/2023**14th June 2023**

Executive Director
Tanzania Investment Centre
P.O Box 938
DAR ES SALAAM.

Dear Sir:

REF: REQUEST TO ACTIVATE CERTIFICATE OF INCENTIVE NO. 040806 TO FACILITATE IMPLEMENTATION OF INVESTMENT ON EXPANSION PROJECT

Kindly refer the above captioned subject.

Foremost, we would like to express our thanks and appreciation to the 6th Phase Government under the leadership of Her Excellency Dr. Samia Suluhu Hassan, President of the United Republic of Tanzania, for the dedication and determination to promote and facilitate investment in our country through TIC. It is gratifying to note that these efforts have started to bear significant fruits and promise substantial contribution to economic development of our country.

Superdoll, as one of the prominent player and stakeholder in the Automobile Industry in Tanzania, has pioneered revolutionary technological development in Trailer manufacturing sector and contributed significantly to the economic development of our country for over three decades now. This would not have been possible if not for the support and encouragement that TIC has consistently provided to our organization over this period of time. The investment incentive program has been instrumental in fostering an environment that encourages innovation, job creation, and economic stability. It has allowed us to expand our operations, introduce new technologies, and create employment opportunities for over 2,000 young Tanzanians so far.

The Sixth Phase Government under the leadership of H.E Dr. Samia Suluhu Hassan, the President of the United Republic of Tanzania has successfully opened the country and created massive economic

allowing us to reinvest technological advancements, improve our manufacturing processes, increase our production capacity and ensuring business sustainability and growth.

The magnitude of the current economic opportunities have motivated us to embark on the massive strategic project to expand our operations by investing on modern production and distribution facilities Within 5 years ; Mwanza, Kahama, Dodoma, Arusha, and Tanga with view to deliver unmatched value added services to as many Tanzanians.

We are confident that this massive investment will have a lasting positive effect not only on our organization but also on the broader economy of the country. The continued support from TIC will enable us to further expand our operations, create additional 650 jobs, and contribute to the local supply chain. Moreover, it will allow us to continue our commitment to sustainability, technological advancements, and community engagement. We believe that these achievements and future prospects demonstrate our organization's commitment to driving economic growth and innovation.

In view of the foregoing, we would like to kindly request for your support to reactivate the above-mentioned certificate of incentives to facilitate investment in our expansion project as highlighted above. We sincerely hope that you will continue to support our organization's efforts to contribute to the economic development of our country. We are confident that the renewal of this certificate of incentive will foster further growth, create sustainable employment opportunities, and positively impact the overall economic landscape.

This activation will facilitate this massive investment to proceed effectively and make our participation in the economic development of our country a great success.

We will appreciate for your expedited facilitation of this request, and we thank you most sincerely for your continued support and cooperation.
