Dear Sir,

REF: CHANGE OF PROJECT LOCATION

SUB: CERTIFICATE OF INCENTIVES NO. 20213327

Kindly refer the headings above, I am hereby informing your good office that we changed the location of investment from the registered location of NGOGWA village in KAHAMA District, SHINYANGA Region to SEEKE Village, ZONGOMELA ward in KAHAMA District.

The reason for change being that the quarry area that we expected to install our project was congested with the community therefore could not be suitable for quarry activities.

With this letter we officially inform your office of our newly licensed and established project location at SEEKE village in KAHAMA district and request you to change our certificates. Attached are area ownership contracts and mining licenses.

Thank you in advance and look forward to working with you.

Yours Faithfully,

**JOHANSEN NESTORY KAJUNA
MANAGING DIRECTOR**
