**Re: Application for TIC Certificate of Incentives**

Dear Sir,

Dark Earth Carbon Tanzania Ltd (Certificate of Incorporation number 155390239) will be conducting biochar production, fertilizer sales, briquette making and sales, as well as services related to drying.

We are requesting a TIC Certificate of Incentives to facilitate this project which will require land to be purchased by our company. Please find attached with this letter all required documents.

We look forward to hearing back with any questions regarding this project.

Regards,

Arno Rohwedder
