**REF: APPLICATION LETTER TO BECOME A TIC MEMBER**

Consider the heading above, we are requesting to become a member of Tanzania Investment Centre in order to enjoy benefits and incentives available for investors that are registered and active member of TIC. In brief, RiceAfrika Technologies (T) Limited is a tech-driven agric optimization into improving mechanization farming in Afrika, and other agro services that will assure food security in Africa is restored, we have started in Nigeria two years ago and this year we have expanded to Tanzania. Our model comprises a bundle of farming services that its mainly aim is to increase production yield of smallholder farmers – The company is using technology to connect farmers to their critical needs, through our FarmEASY platform.

Through our dedicated agronomist we provide extension services to farmers as a knowledge transfer in agricultural sector for free, we train farmers the importance of knowing their crops calendar. We emphases on following proper things Proper Land Preparation, Use of Quality Seeds, Chemicals – herbicides/pesticide, Affordable Fertilizers, Mechanized Harvesting and Well-Structured Market.

Best Regards

Timoccy Msofe,  
Lead, Business Operations
